President's Message:

Hi All, here it is time for our monthly membership meeting Again, man how time fly's, it does not seem like it was a month ago that we had a meeting.

I want to thank Robb Casseday for taking time out of his busy schedule to come and speak at last months meeting. It was interesting and informative, he is a good ally that our association can count on should we have any political issues that we may need to tackle in the future.

I want to remind everyone that this month is the annual membership meeting and time to elect new members to our board. If anyone is interested in becoming a board member, or has anyone in mind, please nominate them at this months meeting. We are short two board members, so it will be ideal to fill both possessions if at all possible. Just want to mention that we are also having our annual board meeting of directors this month. I know that everyone is busy but it is important to have a good turnout for board elections.

Our Annual Christmas party will be on Friday December 16th at the Bunkhouse. We will be going to do Gambling night again. Social hour will begin at 6:30-7:30, Dinner will start @ 7:30 and gambling will commence thereafter and go until 10:30, at which time we will determine who has the most chips and award prized for 1st, 2nd & 3rd, places. If anyone would like to donate door prizes let anyone from the board know so we can collect them. We will need sponsors again this year so we can have great prizes again.

As of right now we do not have a speaker for the month. Our original speaker had some business issues arise, and had to cancel. I have been searching for other speakers, but have not had any luck. If we get one great, if not it is election night anyway it will not hurt anything.

Weld county has two board positions open at the current time, if anyone is interested in this please contact Wendell Heyen. 970-353-6100 Ext.3548. He will be at our meeting to discuss the positions briefly.

Thanks and see you all Wednesday.

Please Remember that our goal is new membership into the organization.
